

my first vocabulary

let's talk about ... **COLOURS!!**

Your nursery teacher will now read out some various colours. Pay attention and try to remember the words as well as you can - then practise together.

wit

white

geel

yellow

oranje

orange

rood

red

roze

pink

violet

violet

blauw

blue

groen

green

bruin

brown

zwart

black

grijs

grey

You must now pay attention again. The colours will be read out loud but not in any certain order. Colour the boxes one by one according to what you hear.

Overigens: om licht en donker uit te drukken, moet je de woorden „light” (voor licht) en „dark” (voor donker) ervoor zeggen! Bijvoorbeeld dark blue = donker blauw.
