

Rechendreieck

Setze die Zahlen von 1 bis 9 so in die Felder ein, dass sich an jeder Ecke des Dreiecks die angegebene Summe ergibt.

The diagram shows a large pink triangle composed of smaller squares. The squares are arranged in a grid-like pattern, with some squares shaded in a darker pink and others in a lighter pink. The triangle is oriented with its base at the bottom and its apex at the top. The numbers in circles at the vertices are: 30 at the top, 30 at the bottom-left, and 30 at the bottom-right. The numbers in circles at the midpoints of the sides are: 15 on the left side, 15 on the right side, and 40 at the bottom center. The decorative starburst patterns are scattered around the triangle.
